Subject: VB/I-70 CAG meeting tomorrow

Steve and Jesse,

Due to scheduling conflicts, Stephanie needs to move tomorrow's VB/I-70 briefing with Betsy. Based on Betsy calendar, it looks like the briefing will not happen until early Jan. Is there any issues with timing regarding the CAG or state that needs to be addressed prior to the briefing in Jan.? Any decision on CAG attendance will need to wait until the team briefs management, which will not happen until Jan. anyways because the RA will be out of the office for much of December.

Please let me know the upcoming scheduled items including the next CAG meeting. Thanks,
